

# COMMUNITY FIRST

As a Club, we believe it is important to take a leadership role in our community and we appreciate your support in our efforts to safeguard the health of our employees, their families, members and guests. These are times to be optimistic and we hope others will follow as we strive to ensure a healthy and strong future together.

It's not only that we keep our spaces clean and controlled - it's our commitment to one another within our social environment that sets us apart. That is family. That is community.

That is our new normal.  
Welcome back to Fitler Cub.

Jeff David

President  
Fitler Club

*Per recent Philadelphia Department of Health and CDC guidelines, please find Fitler Club's updated COVID-19 Policy.*

## **To Our Fitler Club Community**

Thank you for all your support and feedback as we announced our direction to require proof of vaccination to enter Fitler Club and Offsite. As we have done throughout the pandemic, we developed our thorough compliance process with empathy and creativity.

Vaccinations are required for entry to Fitler Club's campus for all members, guests, and staff thus creating an environment where everyone has the option to enjoy the Club and Offsite maskless.

Private events on Level 2 and in Offsite will require all guests to provide proof of vaccination. The Level 0 event spaces (The Garden, The Ballroom and The Trophy Room) will have a mask-requirement option *if and only if the space is entirely rented out.*

While the current City mandates are in effect, children under 12 (who are not yet eligible for the vaccine) have access to The Garden (during posted hours), outdoor dining on The Balcony, and scheduled family activities in The Trophy Room and The Ballroom. Children may travel to The Balcony or the bathroom provided they are fully masked while in transit. Other than the above, children under 12 do not have access to indoor spaces such as dining, The Pool or The Screening Room. **Masks are required for all members and guests attending family programming in The Trophy Room and The Ballroom.**

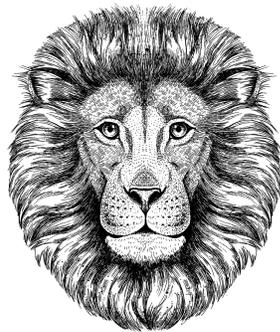

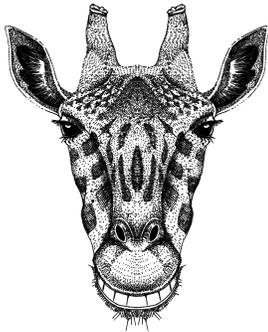

## **Providing Proof of Vaccination**

To make entry into the Club as efficient as possible and avoid staff having to view and interpret personal documents, we are utilizing the free Digital Vaccine Card app - CLEAR. *We have chosen CLEAR because they have completed over 50 Million identity verifications and are accepted in 36 airports and 26 sports venues.*

Register for your Digital Vaccination Card [here](#). You will need to have your CDC vaccine card and photo ID in front of you when creating your card.

Once your Digital Vaccine Card has been generated, you can use the share link at the top right-hand corner of your card and send it to [vaccine@fitlerclub.com](mailto:vaccine@fitlerclub.com). This enables you to securely pre-register your vaccine status in our computer system and avoid entrance delays. If you forget to pre-register with us, please be ready to show your CDC vaccine card and photo ID at the club entrance and our team will be happy to assist in registering you on CLEAR. If you have any questions please reach out to [membership@fitlerclub.com](mailto:membership@fitlerclub.com).

Thank you for your partnership as we continue to work together to keep each other safe and healthy.

# LET'S DO THIS. TOGETHER.

*Fitler Forward is a partnership with our members, their guests, our employees and our vendors. It's going to take commitment from all of us to do this the right way. Socializing looked different upon returning to the Club, but we are committed to continuously adapt to the ever-changing needs that this situation presents in order to best serve our **members**. You are the heart and soul of Fitler Club and we look forward to welcoming you.*

*Fitler Club*

**Seventh Draft 8/26/2021** We are closely monitoring government policy changes, CDC guidelines, government mandates, and public health advancements and will continue to make changes as necessary or appropriate.
