Your journey starts here...

Fittler Club is an urban social club for socially conscious, forward-thinking Philadelphians, combining world-class dining, fitness, social, and business offerings all under one roof.

The Club was founded as more than just a social club. With a focus on diversity and community engagement, members have the opportunity to connect with artists, nonprofits, civic leaders and business leaders amid a 135,000-square-foot campus that includes a world-class gym, a 14-room boutique hotel, collaborative workspace and private office suites, dining options, a movie theater, a game room with bowling lanes, and a ballroom. Through every room and hallway, a diverse and ever-changing art collection within this non-traditional gallery space defines the Club as a cultural and community locus in Philadelphia, showcasing both world class artists as well as emerging local artists. In a multicultural city rich with educators, innovators, entrepreneurs and artists, Fittler Club is the hub where they gather to learn, adapt, and collaborate.
